Year 2 Maths

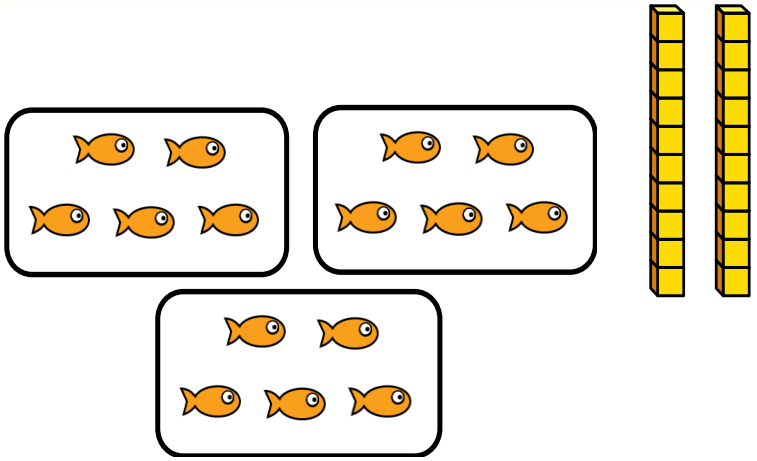
Term 3 Week 3 Friday

Multiplication and Division

Add equal groups

Flashback 4

1) What multiplication is shown?



$\boxed{3} \times \boxed{5} = 15$

2) Alex buys a t-shirt and a cap.

She pays with a £10 note.

How much change does she get? £1

3) Use <, > or = to compare the amounts.

$6 + 2 + 3 \; \boxed{<} \; 7 + 3 + 3$

4) Half of 10 is $\boxed{5}$

LI: To make arrays

Steps to Success:

- I know what a row is.
- I know what a column is.
- I can use an array to represent addition or equal groups.

MAKE ARRAYS

Click here to open this video link.

GET READY

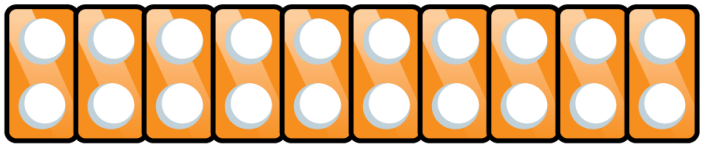
White Rose Maths

1) Count in 2s until you get to 20

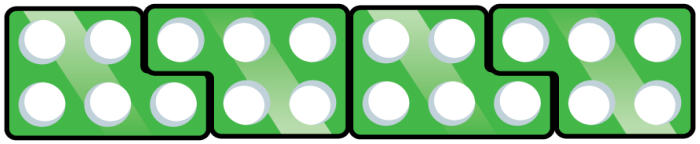
2) Count in 5s until you get to 20

3) Can you count in 3s and get to 20?

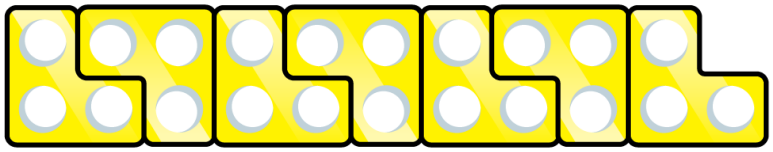
1) Count in 2s until you get to 20



2) Count in 5s until you get to 20



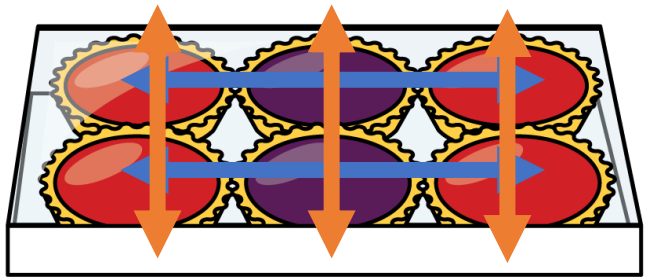
3) Can you count in 3s and get to 20?

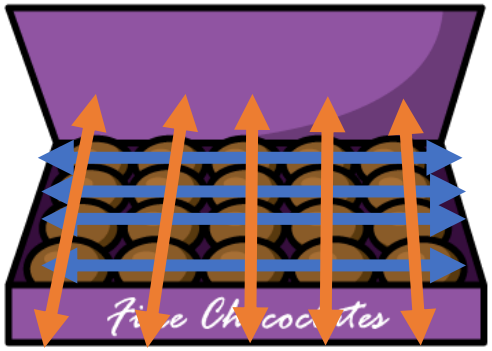


LET'S LEARN

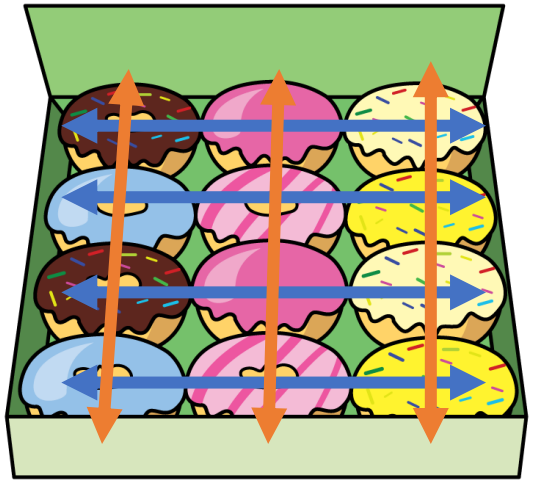
White Rose Maths

Arrays have rows and columns



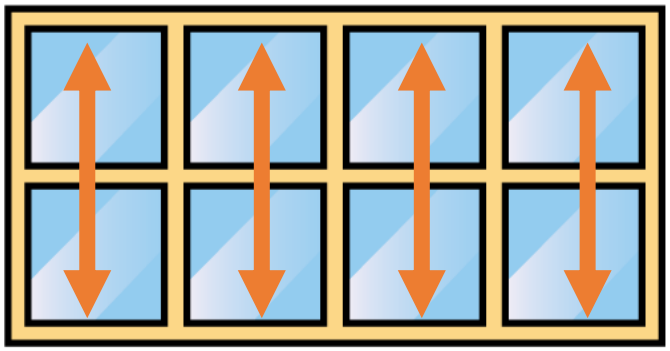


Rows

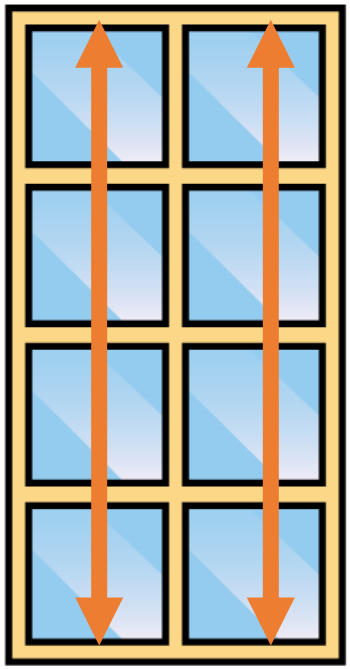


Columns

How many columns are in these arrays?

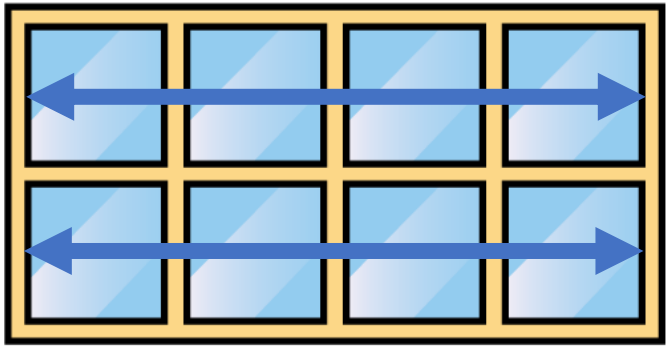


There are [4] columns.

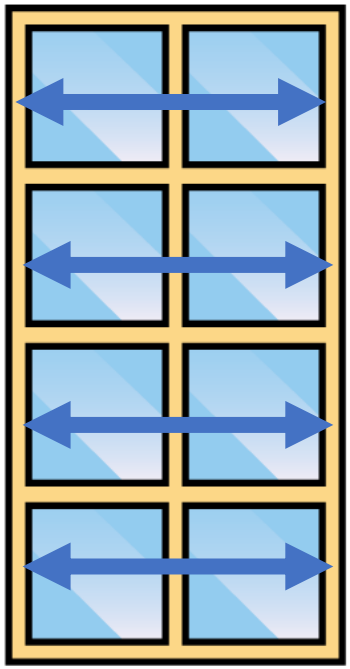


There are [2] columns.

How many rows are in these arrays?

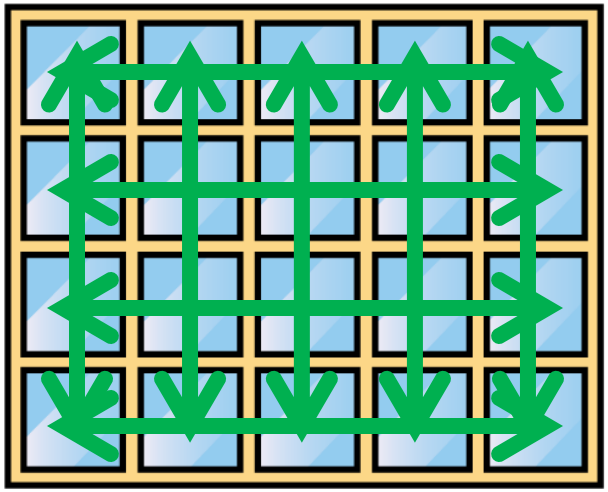


There are 2 rows.



There are 4 rows.

How many windows?

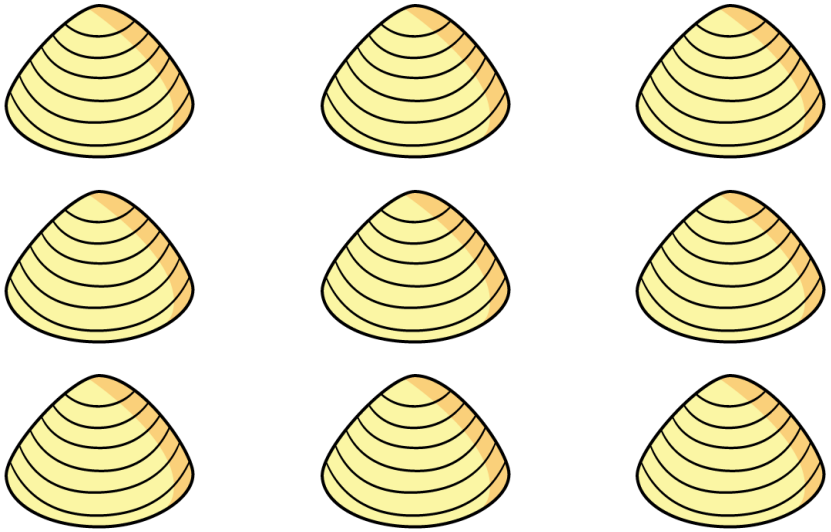


There are 4 rows.

There are 5 windows in each row.

There are 20 windows altogether.

How many shells?



There are 3 rows.

There are 3 shells in each row.

There are 9 shells altogether.

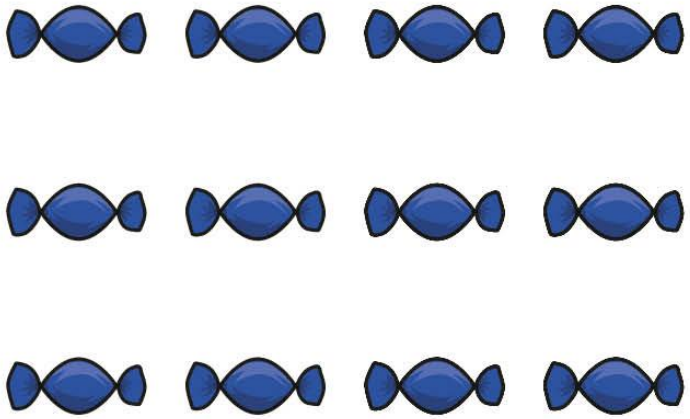
YOUR TURN

Have a go at the questions on the worksheet

White Rose Maths

Make arrays

1 Circle each row of sweets.

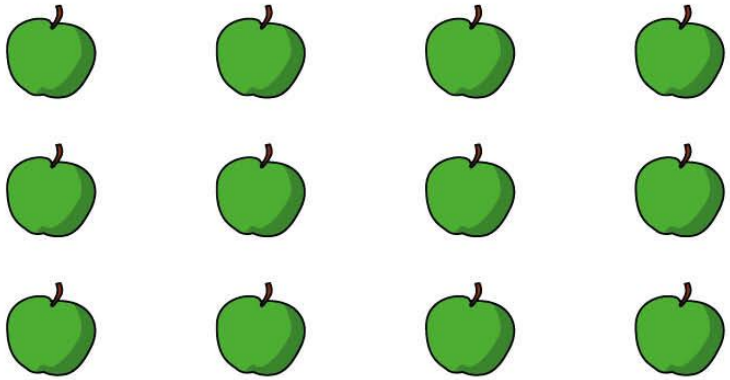


How many rows are there?

There are ☐ rows.

© White Rose Maths 2020

2 Circle each column of apples.

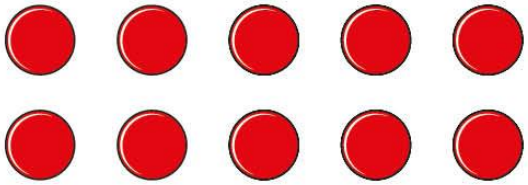


How many columns are there?

There are ☐ columns.

© White Rose Maths 2020

3 Make this array.



Complete the sentences.

a) There are ☐ counters in each row.

There are ☐ rows.

There are ☐ counters altogether.

© White Rose Maths 2020

3 **b)** There are ☐ counters in each column.

There are ☐ columns.

There are ☐ counters altogether.

Make your own array.

How many rows are there?

How many columns are there?
