17th June 2019

Dear Parent/Carer ,

We have some exciting news for Year 4! The Living History Workshop will be coming into our school and providing Killer Whales and Stingrays with a full Roman experience to celebrate our learning journey!

The day will begin with a staged 'Roman Attack' where the children are able to take part in a replica of the Roman invasion, before visiting a slave market. They will be shown authentic Roman artefacts and taking part in traditional Roman games. After this, they will be taken to a 'Roman Classroom' and will be carrying out a Latin lesson on original wax tablets. Each child will be provided with a costume and can make their very own protective amulet (a necklace that each Roman child would have been given at birth).

In the afternoon we would love if you could come in for a 'Roman Banquet' on the field (weather permitting!) and a chance for us to share our learning with you. This will begin at 2pm.

We would love these details about the day to be a surprise to your child, so if possible please keep it a secret!

Date	Wednesday 10 th July
Time	During the normal school day
Cost	£5.30 per child
Clothing	Normal school uniform or a Roman Costume (optional)

We have tried to make the trip as reasonably priced as possible and are asking for a **voluntary contribution of £5.30**.

We know that the children will gain so much from this exciting day and would love for them to have this experience.

Yours in anticipation,

Miss Brunton, Mrs Foster and Miss Shackel
