1st March 2018

Dear Parent/Carer,

We are delighted to inform you that we have arranged two fire safety trips to take place next week at Bexhill Fire Station. On Monday 5th March Sharks class will attend the fire safety visit in the afternoon, then on Thursday 8th March Dolphins class will attend in the afternoon.

During the visit the children will learn many different ways to stay safe and learn important life skills relating to fire safety from professional fire fighters.

Date	5th and 8th March 2018
Time	During the normal school day
Clothing	School uniform
Cost	A voluntary contribution of £2.40 per child
Lunch	A packed lunch and a drink (no glass bottles or fizzy drinks, please)

To enable us to keep this trip as reasonably priced as possible we have asked East Sussex Fire and Rescue to help us with the cost of the coaches, which they have very kindly agreed to. Therefore we are asking for a **voluntary contribution** of just **£2.40** which is to pay for one of the coaches. Please note that if not enough contributions are made, the trip may have to be cancelled.

We know that the children will gain so much from this trip and we can't wait to go!

Yours in anticipation,

Mr Croft and Ms Allen

Please complete and return to school by Monday 5th March 2018

I give permission for my child (name) to take part in the trip to Bexhill Fire Station on 5th March 2018 for Sharks and 8th March 2018 for Dolphins.

My child is entitled to Free School Meals and would like a packed lunch provided by the canteen	
I have paid online via Tucasi	
I enclose cash / cheque for £2.40 in a named envelope	

Signed..... Parent/Guardian
