12th March 2018

Dear Parents and Carers,

As promised, we would like to update you on a couple of staffing changes that we have put in place for the next two terms. We hope you will agree this gives our classes the most consistent and stable solution to our current staffing position.

Dolphins

As you are aware Mr Gurr has replaced Mrs Allen in Dolphins until the end of the academic year, as she has moved on to explore other ventures.

Cuttlefish

We are really pleased to confirm that Miss Turton who has been working in Year 3 since January will be in Cuttlefish class. To further secure this class we are able to confirm that Mr MacTear, an experienced Teacher, well known to our children, will be working with Miss Turton and taking the class while she has to return to University for her research projects. Mr MacTear will be in Cuttlefish all of Term 5, with Miss Turton and Miss Turton will be back for all of Term 6.

Barracudas

Mrs Wrenn will be taking maternity leave from 17th April so Mr Hallworth will be taking the class all week for the remainder of Term 5 and the first two weeks of Term 6. From the 18th June Mrs Lee, who returns from her maternity leave will be teaching Barracudas on a Monday and Tuesday then Mr Hallworth for the remainder of the week, as a direct replacement to the current job share.

We hope that this will reassure you all that we are working hard to ensure continuity of teaching staff throughout the school and we thank you for your continued support.

Yours sincerely

Miss K Martin
Acting Headteacher
