Dear Parents / Carers,

Thank you for all of the support that you have shown for the reading café so far. The children have been enthusiastic about reading and cannot wait for their classes' next turn. For those of you who haven't been able to attend, the Reading Café now takes the place of Snuggle Buggle, Chrysalis Capers & Words with Wings. We hope that the reading café will continue to promote a fun learning environment, where children can share stories with their adults and participate in a number of fun activities.

What is it? It is an opportunity to come and meet other Parents/Carers and share books and fun reading activities with your child. Refreshments will be provided free of charge. It will be led by the children and their enthusiasm for reading. Each reading café will include a range of books that the children have selected to read and different topic related activities.

How does it work? The Reading Café takes place every Friday at 2.15pm, if you would like to come along to the reading café you will need to sign up by the Wednesday of the week your Child's class takes part. You can sign up via the sheet in the school office, email office@ryeprimary.co.uk or telephone the school office. It is imperative that you sign up if you wish to attend. Each year group will take it in turns to host their reading café in the hall, so you will be made aware when it is your child's opportunity to host.
