30th November 2018

Dear Parent / Carer,

We are pleased to inform you that we have been continuing with our 'Achievement For All' initiative at Rye Primary School. We have made a good start this academic year and have invested in training from the Achievement For All organisation, who will be continuing to work in close partnership with the school.

The aim of this project is to enable class teachers to spend more time with specific children and their parents, to find out what they feel about their learning and to set targets to improve learning. Teachers have identified pupils that they feel would benefit from 'pupil voice' meetings and have already held some of the structured conversations this academic year.

We would like to say a thank you to the parents who are involved in this project and have already had their first structured conversation.

Yours sincerely

A handwritten signature in blue ink that reads 'K. Martin'.
