Dear Parent/Carer

We are really pleased to inform you that we have continued this year to be part of the 'Pearls of the Sea' education programme run by the Jerwood Gallery in Hastings. This wonderful opportunity involves one year group to have 2 visits to the Jerwood Gallery, working with an artist in the gallery environment.

We have chosen Year 4 to enjoy this quality arts and cultural experience. The children will work with artist Ed Boxall on both visits. We know the children will really enjoy and appreciate the gallery space. We hope this access to the gallery will raise aspirations, support learning and creative development.

Dependent on the weather, we plan to venture outside into the local environment to create some environmental art and hopefully visit the RNLI centre and the Fisherman's museum.

Dates	Session 1- Monday 19th November Session 2- Date to be confirmed
Time	During the normal school day
Clothing	Own clothes appropriate for making art and visiting the beach (warm coat, old trainers)
Cost	Cost of Coach for the 2 sessions - £6.35 in total
Lunch	A packed lunch and a drink (no glass bottles or fizzy drinks, please)

The project will continue within school culminating in a special exhibition in June where the children's art work will be displayed in the gallery. You will be invited to come and see their creativity and explore the rest of the gallery. We will let you know more nearer the time.

We know the children will benefit from this fantastic opportunity.
