Dear Parents and Families,

RE: Appointment of Permanent Senior Leaders

I am pleased to inform you that following a successful application process, Miss Kelly Martin has been appointed the permanent Head of School for Rye Community Primary School.

As you will know Miss Martin has substantial leadership experience which she has demonstrated whilst implementing a significant programme of school improvement. She is passionate about education and extremely committed to developing the love of learning and high aspirations that will serve our pupils well as they grow.

In the New Year, we will begin the process of planning for the next phase of leadership growth in the school. With our Inclusion Leader, Mrs Nice, joining the leadership team full-time from January, Mrs Isted will be returning to her substantive role of Early Years Phase Leader. This will allow her to focus once again on the development of this critical stage of every child's education. We would like to thank her for all the hard work and unwavering support during her time with the leadership team.

In further news, I'm pleased to announce the permanent appointment of Mr Dom Downes to the role of Head of College and Miss Jest Carpenter to that of Deputy Headteacher.

All these appointments bring further stability and continue the work already begun to improve both schools for all our children. We wish everyone the very best of luck in their new substantive roles.

Yours sincerely,
