Dear Parents and Families,

RE: Rye Community Primary School Improvement Plan 2018-19

I write with information about the school's improvement plan for the current academic year.

So our parents and families can better understand how we are improving the school, we have produced an overview of the improvement plan for the next nine months. The plan details how we are responding to our inspection report and other emerging priorities. The plan is available to read on our website at www.ryeprimary.co.uk/parents/improvement.

We would also like to invite parents and families to our next round of 'Parent Forum's' where we will be updating families on the progress made over the autumn term. To enable as many parents as possible to attend, 3 Parent Forum's will be held, on each of the following dates, at 9.00am, 2.00pm and 6.00pm.

* 11th December 2018

* 11th February 2019

* 3rd April 2019

We look forward to updating you on the significant steps we have already taken to ensure the school continues to improve and offer all children 'a gateway to learning'.

Yours sincerely,

Barry Blakelock

Executive Headteacher
